Anita I checked on the reference you asked about. Tim Pettifor will be back tomorrow and I will ask him. Others were uncertain about the source of the reference.

Subject: ATSDR public meetings to talk about the N Birmingham Air PHA

Good afternoon Anita,

ATSDR will be holding meetings in north Birmingham to talk about test results of air samples collected in north Birmingham from 2005 – 2012. I am attaching a copy of the meeting fliers for the Fairmont, Harriman Park and North Birmingham Neighborhood Association meetings for your information. I will let you know when the Collegeville meeting has been scheduled. You and your staff are invited to participate in any of the meetings.

Please distribute this e-mail to relevant people at EPA. Thanks.

If you have any questions, please give me a call.
